

## ***Bijbelleesrooster***

# De hele Bijbel in 1 jaar

Dit Bijbelleesrooster biedt een aantal voordelen die je helpen in je reis door de Bijbel:

- Je leest elke dag uit vier verschillende Bijbelboeken. Daardoor zie je iets van hoe mooi alles met elkaar verbonden is, terwijl je tegelijk geniet van de afwisseling tussen de verschillende perspectieven.
- Je kunt op elk moment in het jaar beginnen.
- Elke maand bevat slechts vijftientig leesdagen. Zo voorkom je de frustratie van achterstand — iets waar de meesten van ons mee te maken krijgen bij een leesrooster. Door de extra 'vrije dagen' kun je zondagen gebruiken om even niet te lezen of om gemiste dagen in te halen.

Bid elke dag dat God door de gedeelten die je leest tot je spreekt. Wees verwachtingsvol, en laat het regelmatige lezen je vormen, je blik scherp en je helpen om Zijn woorden steeds beter te begrijpen.
